Article 6: SCORING CRITERIA:

A Score will only count when a Punch, Strike, or Kick lands at a Target with (6 things):

1. Good form,
2. Sporting attitude,
3. Vigorous application,
4. Awareness (zanshin),
5. Good timing,
6. Good distance.

Scores should only be given for controlled techniques that show the potential to penetrate deep into the target. Thus, techniques performed whilst retreating cannot be scored as their potential is low.

Bout/Match: SHOBU SANBON: first to get 3 Ippons or 6 Wazari wins, or, whoever has the highest score at end of match wins

1. IPPON is awarded for - A 'legal technique' delivered to the 'Target Area' that fully fulfils 'all aspects' of the 'Scoring Criteria' above will score an Ippon (worth 2 Wazari).
2. IPPON will also be awarded for;
 - i. Jodan Kicks
 - ii. Hitting the Target the instant the opponent advances
 - iii. Combination attacks that land in quick succession with each technique having the potential to fulfil the Scoring Criteria
 - iv. Hitting the opponent immediately after unbalancing them, or after a takedown.
 - v. Deflecting an attack and hitting the unguarded back
3. WAZARI – will be awarded for a 'legal technique' delivered to the 'Target Area' that marginally falls short of fulfilling 'an aspect' of the 'Scoring Criteria' required for Ippon. Wazari is recorded as 1/2 point by the Score-keeper, but a Wazari amounts to 90% or more of the Scoring Criteria.

Scoring considerations

1. For a Score to be considered by the Referee, the scoring fighter must be in the fighting area when the Scoring technique was delivered.
2. When both fighters are outside the fighting area – no Scores can take place.
3. A scorable technique delivered at the same time as end of bout signal is made, it will still count.
4. No scores can be given for any techniques delivered after the 'end-of-bout' signal is made. Even if 'Yame' is called after the end-of-bout signal is made!
5. If two Scorable techniques land at the same time – they shall cancel each other out – AIUCHI.
6. No Score shall be given if a fighter injures the opponent (even superficially) with a legal technique. The Referees must first determine if the opponent had any role to play in their own injury, e.g. were they moving in? to what degree of impact would they be expected to take? etc.

Article 7: DECISION (HANTEI) : Declaring the Winner

1. The first fighter to reach the ceiling score of 3 Ippon, or, 6 Wazari, or, a mixture of the two amounting to 3 Ippons will be declared the Winner.

	Page 6 of 14
Richard Vince	Steve Powell
24/12/18	24/12/18

2. The fighter with the most points at the end of the bout is the Winner.
3. In case the Scores are equal, the following shall be considered in making a Decision;
 - i. Which fighter showed more superiority in Techniques and Tactics displayed
 - ii. Which fighter showed superiority in their attitude to the bout by their actions
 - i. Power and fighting spirit shown
 - ii. Number of attacks made
 - iii. Fair-play & Sporting attitude shown
4. If no majority Decision can be made, then a DRAW is declared and an EXTENSION BOUT should proceed.

DRAWN BOUT

If the result of HANTEI is a DRAW then an 'Extension Bout' must be fought. And, if a Draw still persists, then a 'First-to-Score' bout will take place. In the case of another continued DRAW, the Referees must declare a Winner by Decision (HANTEI). The Referees must keep a close eye on the developments during the bout in order to make their Decision easy at the end of the bout. Referees should remember that equal scores does not automatically mean a DRAW and that an 'Extension bout' must take place!

EXTENSION BOUT (1min)

This is a New bout and no previously accrued penalties or weight of scores (Ippons & Wazari) are carried over. Extension bout is a Shobu-Sanbon bout.

FIRST-TO-SCORE (30secs)

All previously gained penalties earned in the EXTENSION BOUT are carried through to this bout. This is the final bout.

TEAM MATCHES

In a Team Match there are no Extension Bouts. If the bouts won, drawn, or lost are equal then precedence is given to the team that scored the most Ippons, then Wazaris, then highest total score. If a Draw still persists, then a nominated fighter from each team fight off to decide the winning team in the same manner as an individual bout.

Article 8: WARNING & PENALTY

- Fouls committed are in 3 categories (JOGAI, ATENAI, FORBIDDEN BEHAVIOUR). Warnings & Penalties do not cross-accumulate among these categories.
- Except for JOGAI (Area exits), penalties for ATENAI (Excessive contact) and FORBIDDEN BEHAVIOUR may or may not rise cumulatively, depending on the severity of the foul committed (immediate Hansoku may be imposed if the foul warrants it).

1. JOGAI - Competition area exits (*a Push is not classed as an Exit!*).
 - a. 1st Exit – 1st Warning (Jogai)

3. FORBIDDEN BEHAVIOURS

- i. Executing an illegal technique.
- ii. Goading or enticing the opponent
- iii. Unsporting attitude
- iv. Passivity
- v. Feigning Injury

2. 2nd Offence – Referee signals to offender as above – Score-table records it
3. 3rd Offence – Referee signals to offender. Announces HANSOKU-CHUI – Awards Ippon to opponent – Score-table records it, (for ATENAI, Hansoku-Chui is given when there is a significant decline in the ability of the fighter to continue as at start of match, due to received injury).
4. 4th offence - HANSOKU (Disqualification): may be given immediately for Forbidden Behaviour or Atenai, or, can result from accumulated penalties. Or, when a fighter is unable to continue due to injury inflicted by opponent as identified by the tatami doctor. In a Team match, the opponent's score is raised to Sanbon (2 Ippons).

Article 9: INJURIES

1. A fighter found to be feigning injury will be warned and then disqualified.
2. If a competitor is injured the bout shall be stopped by the Referee for long enough for the Doctor to treat the injury. The Doctor decides if the Fighter can continue.
3. If the injured fighter is declared fit by the doctor then the bout will continue. But if the injured fighter avoids continuing the bout, or, wishes to withdraw, he will lose by KIKEN.
4. In the event of a doctor declaring a fighter unfit to continue:
 - a. If injury was caused solely by other fighter's actions, then the injured fighter will be deemed the winner.
 - b. If injury is not caused solely by other fighter's actions, then the injured fighter will be deemed the loser.
5. If both fighters are injured accidentally at the same time and both are not able to continue the bout, the decision will be made by the HANTEI as to who wins.

6. If fighter wins by injury (caused on him/her), s/he cannot fight again without first seeking medical clearance from the Tattami Doctor.
7. The doctor is the only person who can determine the competitors' fitness to continue fighting.
8. The bout can be stopped for a maximum of 2 minutes. If the fighter is unable to continue, a Decision (Hantei) must be sought by the Referee.

Article 10: PROTEST

1. The Fighters or Coach cannot protest against Judgments of the Referee or the officials.
2. Only the coach may protest against Administration errors.
3. If the Referee/Judges do not conform to these set of rules, then the Coach may approach to speak with the Tattami Chief.
4. The Tattami Chief will decide if an official protest is warranted to be launched by the Coach.
5. The Coach must submit his/her evidence with a payment of £30 to show seriousness of protest. The money will be refunded in full if the protest is held in their favour.
6. The bout will halt while the protest is being resolved. Other bout may be started on the same tattami while the protest is being dealt with.
7. Tattami Chief will consider the evidence and speak with the Referee/Judges and ask them to correct their decision.
8. If Referee/Judges disagree with Tattami Chief, then they will confer with Chief Referee/tournament director.
9. When the decision is reached it will be final. No further protest will be allowed.
